BOOKING SYSTEM

2025

Welcome to Wilmington Memorial Hall booking system. The Hall is available for private hire and group bookings.

We have created an easy to use booking system that can be accessed on the link below. This is for the booking of any of the facilities at the Memorial Hall only. If you want to know about any other events in the village please check out the Village and Local Events Page.

If you access the link it will take you to the Hall's booking calendar for the Main Hall and the smaller Clubb Room. There is a description of each facility and the dates they are available for hire.

If you follow the instructions and make a booking enquiry, we will be in touch with you to confirm the booking and discuss your requirements with you.
